PRESS RELEASE

The National Coordinator of the “Support Operation for the Cameroonian Private Sector Affected by the COVID-19 Pandemic” Project (OSSP-CMR) informs companies interested in receiving support for the standardization and certification of their products that the **deadline for submitting applications, initially scheduled for March 22, 2026, has been extended until March 29, 2026.**

The National Coordinator encourages all companies to take advantage of this support opportunity aimed at improving the quality, competitiveness, and market access of their products.

For any difficulty accessing the platform or for further information, applicants may contact the Project team at the following numbers : 670 86 15 60 / 699 74 18 17.

The National Coordinator
